

**Ac-VAD-CHO [Caspase Inhibitor II]**

Catalog number: 13320

Unit size: 1 mg

**Product Details**

---

Storage Conditions Freeze (&lt;math&gt;&lt; -15\text{ }^\circ\text{C}&lt;/math&gt;), Minimize light exposure

Expiration Date 12 months upon receiving

**Chemical Properties**

---

Appearance Solid

Soluble In DMSO

**Applications**

---

Z-VAD-CHO, also generically called as "Caspase Inhibitor II", is a cell-permeable, reversible pan-caspase inhibitor, blocks all features of apoptosis in THP.1 and Jurkat T-cells.
