

**Statine \*CAS 49642-07-1\***Catalog number: 5109  
Unit size: 100 mg**Product Details**

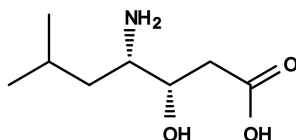

---

Storage Conditions	Freeze (<-15 °C)
Expiration Date	12 months upon receiving

**Chemical Properties**

---

Appearance	White solid
Molecular Weight	175.23
Soluble In	DMF
Chemical Structure	

**Applications**

---

(3S,4S)-Statine is a novel amino acid of pepstatin, a low molecular weight inhibitor of acid proteases
