

1-Aminohydantoin (AHD)-BSA Conjugate

Catalog number: 50010

Unit size: 1 mg

Product Details

Storage Conditions	Freeze (<-15 °C)
Expiration Date	12 months upon receiving

Chemical Properties

Appearance	Liquid
------------	--------

Applications

1-Aminohydantoin (AHD)-BSA Conjugate is used for developing anti-1-Aminohydantoin (AHD) antibodies that are typically used in an ELISA assay. 1-Aminohydantoin (AHD)-BSA Conjugate has multiple 1-Aminohydantoin (AHD) molecules on each BSA to maximize its immunogenicity.
