

## Sulfacetamide-BSA Conjugate

Catalog number: 50032

Unit size: 1 mg

### Product Details

---

Storage Conditions	Freeze (<-15 °C)
Expiration Date	12 months upon receiving

### Chemical Properties

---

Appearance	Liquid
------------	--------

### Applications

---

Sulfacetamide-BSA conjugate is used for developing anti-sulfacetamide antibodies that are typically used in an ELISA assay. The anti-sulfacetamide antibodies may also recognize sulfaguanidine. Sulfacetamide-BSA conjugate has multiple sulfacetamide molecules on each BSA to maximize its immunogenicity.
