

PD-10 Spin Adapter

Catalog number: 60506, 60507

Unit size: 5 Pieces, 10 Pieces

Product Details

Expiration Date 12 months upon receiving

Applications

PD-10 Spin Adapters are convenient and rapid cleanup tools with high reproducibility and capacity for high throughput by running multiple samples in parallel with high desalting capacity. The use of centrifugation protocol (with all gravity columns) would keep proteins with possibly high concentration.
